Life Experience

After graduating from Eora Tafe in 2003 I spent the next 10 years travelling to expand my skills and knowledge in other areas of the film industry and also accumulating life experience and stories.

In 2009 I was fortunate have met someone who invited me to Taiwan to work for his production company, Abookstudio.com. Throughout the next 5 years working at his company, I developed as a filmmaker and occasionally put myself in acting roles when possible.

I am currently a freelance Producer, Writer / Director, Cinematographer, Editor.

After returning to Sydney, I continue to work in the film industry behind the camera while pursuing my true passion, acting.
